

CALL FOR APPLICATIONS FOR:

(2) MEMBERS OF THE SIX NATIONS OF THE GRAND RIVER DEVELOPMENT CORPORATION ADVISORY COMMITTEE;

Background:

In 2011, the Economic Development office undertook a community engagement process to seek direction on economic development at Six Nations. After 19 Think Tank sessions, a final report was created: Wetewawennaro:roke – We Gathered Our Voices. The report outlines the major themes of discussion in the Think Tank sessions. It provides the backbone for the future for economic development at Six Nations and the Six Nations of the Grand River Development Corporation (the “**Development Corporation**”).

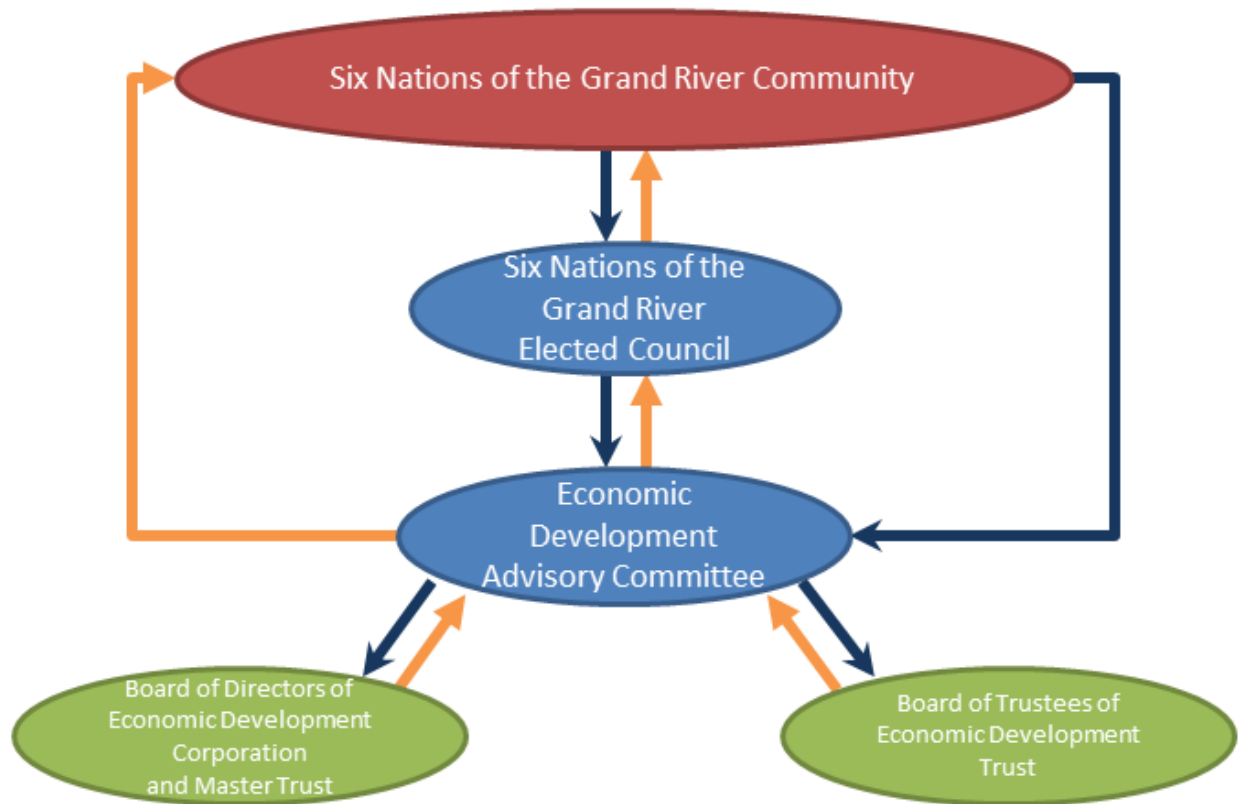

The Development Corporation has been in operating since May 2015. The Board of Directors, Board of Trustees and Advisory Committee have since been appointed. The Advisory Committee is now putting out this call for applications to community members to be appointed to the vacancies of these governing bodies.

The main purpose of the Development Corporation is to allow Six Nations to derive economic benefits, create employment for its members and generate income to support community priorities. At the same time, as part of improving its governance of economic activities and Six Nations’ owned businesses, Six Nations wants to further separate its business interests from direct governance by elected officials.

Income generated by the Development Corporation will be directed to the new Six Nations Economic Development Trust (the “**Economic Development Trust**”). The main purpose of the Economic Development Trust is to disburse the funds, received from the Development Corporation, in accordance with community priorities.

The diagram which follows illustrates the governance structure for the Development Corporation and the Economic Development Trust: (i) the Economic Development Advisory Committee; (ii) the Board of Directors of the Development Corporation; and (iii) the Board of Trustees of the Economic Development Trust. A brief description of the mandate, rules and responsibilities of each of these governing bodies is also set out below.

General Overview of Structure (Governance/Oversight)
