THE CEO'S CORNER

By Matt Jamieson

“PURSUING THE NRL BUNDLED SOLUTION”

On February 20th, 2018 Six Nations Elected Council (SNEC) ratified the Six Nations of the Grand River Development Corporation's (SNGRDC) Board of Directors' and Advisory Committee's recommendation to pursue the NRL Bundled Solution. The project will create local employment opportunities and position Six Nations to pursue future energy development, while creating a stream of long-term revenue for the Six Nations Community.

ENERGIZE: SNGRDC's joint venture with the Aecon Group, A6N Utilities will be contracted by Hydro One to complete the remaining NRL transmission work which will see the line energized by spring 2019.

ACQUIRE: SNGRDC will acquire a 25% equity interest in the line on behalf of the Six Nations Community. This investment will be financed by SNEC through the allocation of \$12.5 million, allowing Six Nations to enter the investment debt-free, saving approximately \$8.4 million in interest. The project will generate not less than \$46 million over the projects useful life and is expected to retain a residual value well into the future.

Like all equity investments managed by SNGRDC, surplus profits generated through NRL will ultimately flow to the Economic Development Trust (EDT) for investment in community priorities. In the first two years of operation, SNGRDC has been able to allocate over \$6.7 million to the EDT to fund projects such as the expansion of the waterline, the purchase of an aerial firetruck, and the mechanical drawings and servicing to the new housing development on Fourth Line.

OPTIMIZE: SNGRDC will pursue future energy development opportunities through a 300 MW set-aside by the Ministry of Energy.

I encourage community members seeking more information about the NRL project to visit www.snfuture.com or call us at **519-753-1950 ext 6420**.

Sincerely,
Matt Jamieson

This will provide 142 homes with the opportunity to connect to the waterline and includes the installation of 40 new fire hydrants.

Additional approved 2018 recipients include:
SONICS-CKRZ, Six Nations Public Works, Kawenni:io

Private School, Ganohkwasra, Six Nations Minor Lacrosse, Six Nations Police, Grand River Pow Wow, Two Row on the Grand, Six Nations Minor Ball, and Public Works.
