

Norman Jacobs Environment Scholarship

Deadline: August 1, 2024

Purpose: to honour the lifelong contributions of Norman Jacobs to post secondary education at Six Nations while providing financial support to a successful Six Nations post secondary student enrolled in an environmental study or related program at the college or university level.

Examples of eligible programs are:

forestry, environmental policy, environmental law, environmental conservation, ecologically sound architecture, irrigation and water management, land and natural resources, water science, wildlife, fisheries, and forest conservation and/or management, aquaculture, natural sciences, plant sciences, and botany.

Amount: \$1,000

Criteria: Open to Six Nations members who are

1. Successful in completing one year of study in an eligible program as outlined in the purpose of the scholarship.
2. Continuing student at an accredited post secondary institution
3. Able to submit an official transcript showing most recent activity of post secondary program

Please submit a one page biography that includes:

- your program, year of study, and the institution you attend,
- how you see your responsibilities to Mother Earth,
- how you uphold them, and
- how your education will contribute to a better environment for future generations.

DISCLAIMER AND SIGNATURE

- I certify that I meet the criteria outlined on this application form.
- If this application leads to a scholarship, I understand that false or misleading information in my application may result in my disqualification from future Grand River Post Secondary Education Office scholarships.
- If this application leads to a scholarship, I understand that my name will be published and shared with scholarship donors, Six Nations Elected Council and other graduate promotions.
