

FWRN Limited Partnership (Boralex)

Deadline: August 1, 2025

This scholarship, established in 2020, is awarded by the FWRN Limited Partnership (Boralex). Boralex is a major player in renewable energy specializing in four sectors of activity: Wind, Solar, Hydroelectricity and Thermal. Their commitment is to achieve their vision by exercising ethical behaviour, being an exemplary corporate citizen, sharing with communities and providing continued financial performance for their shareholders and partners. They believe that as a major player in renewable energies, Boralex is at the forefront of a changing world and are a major part of the global energy transition by developing green, diversified services through electricity generation methods powered by renewable natural resources. They create sustainable and successful partnerships in the field based on transparent dialogue and a consultation process that is both respectful and diligent. Through the Grand River Post Secondary Education Office this annual scholarship in the amount \$2000.00 will be given to 10 eligible students. The application will be reviewed with priority given to students entering the renewable energy field, and based on community involvement; however, if your studies are not clearly transferable to the renewable energy sector but you have community involvement you will be considered. Six Nations graduating high school students are eligible to apply.
