***Six Nations of the Grand River Development
Corporation CEO Recognized Among
Canada's Top Sustainability Leaders***

*Matt Jamieson named to Canada's Clean50 and Clean16 for
advancing renewable energy innovation*

Ohswegen, ON, October 16, 2025 – On October 15, 2025, Six Nations of the Grand River Development Corporation (SNGRDC) President & CEO Matt Jamieson was named to the 2026 Canada's Clean50 list and further distinguished as a Clean16 honouree in the Renewable Energy category. This is the second time Matt Jamieson has been named to Canada's Clean50 list after previously being honoured in 2018. The awards were presented Wednesday evening during the Clean50 Summit in Toronto.

Canada's Clean50 and Clean16 Awards are announced annually by Delta Management Group and the Clean50 organization to recognize those 50 individuals or small teams, from 16 different categories, who have done the most to contribute to the clean economy in Canada over the past 2 years. One leader in each category is further distinguished as part of the Clean16, representing the top contributor in their respective field.

"The Board of Directors and everyone at SNGRDC are incredibly proud of Matt and his achievements as CEO," said Rachel Martin, Chair of the SNGRDC Board of Directors.

"His leadership and vision are reflected in the passion of his team and the remarkable progress the Corporation has made over the past decade. Matt's dedication has positioned SNGRDC as a leader in Canada's renewable energy sector, and receiving this esteemed recognition for a second time is a well-deserved acknowledgement of his contributions to both the Six Nations community and the industry at large."

"I am deeply honoured to be recognized as a national leader in renewable energy innovation and to stand alongside so many distinguished sustainability champions," said Matt Jamieson, President & CEO of SNGRDC. "This recognition reinforces the

importance of our collective efforts, and I look forward to working with the Clean50 cohort to drive Canada's net-zero transition and create a sustainable future for generations to come."

"The 2026 Clean16 are truly the leaders of the leaders in sustainability in Canada. The competition for the top spot this year in every instance left us with a record number of great choices - and to be selected from amongst such a strong group of peers is truly a testament to the contribution Matt Jamieson has made to helping make Canada more sustainable for all Canadians," said Gavin Pitchford, CEO of Delta Management Group.
