SIX NATIONS BINGO STUFF THE BUS

In support of local schools throughout Six Nations

Supporting: Emily C. General, LL Thomas, Oliver M. Smith, J.C. Hill, Jamieson, Skaronhyase 'k'wá The Everlasting Tree School, and Kawenn:tio/Gawen:yo"

DONATES

\$11,000

OF SCHOOL SUPPLIES TO
SIX NATIONS SCHOOLS

SNGRDC wishes everyone a successful and rewarding 2025-26 school year! To support our students, Six Nations Bingo once again hosted the Stuff the Bus initiative, collecting school supply donations from generous patrons and community members. Thanks to this incredible support, the campaign was a huge success—providing over \$11,000 worth of supplies to each of the seven local elementary schools on Six Nations territory. Together, we helped more than 1,350 students start the school year prepared and ready to succeed.

Thank you to our Bingo patrons for their generous contributions to the campaign!

A special thank you goes out to our Community Collaborators, whose generous support made it possible for us to donate even more through this year's Stuff the Bus program. To learn more about the Community Collaborator program, please visit www.sndevcorp.ca/community-collaborators.

2025 FALL FESTIVAL

Join us for a FREE day of fall fun at our annual Fall Festival on Saturday, October 18! Bring the whole family out to Chiefswood Park for an afternoon packed with exciting activities, delicious treats, and festive vibes. There's something for everyone, including rides & games, pie-in-the-face fundraiser, raffle prize fundraiser, face painting & balloon twisting, pumpkin painting, a petting zoo, local vendors, live music by James Wilson, family photos, and more!

The proceeds from this year's pie-in-the-face and raffle will be donated to Community Living Six Nations. A special thank you to our Community Collaborators, whose generous support makes it possible for us to offer this event free of charge to the Six Nations community. To learn more about the Community Collaborator program, please visit www.sndevcorp.ca/community-collaborators.

Community Living Six Nations "Ronatahskats" is a non-profit organization serving adults 18 years and older who have an intellectual disability and live on Six Nations Reserve. To learn more about the Community Living Six Nations, please visit www.communitylivingsixnations.ca.

SNGRDC CONTINUES TO EXPAND PARTNERSHIP PORTFOLIO

SNGRDC is excited to announce the addition of two new partnerships to our portfolio

Tulloch, an Ontario-based multidisciplinary consulting engineering firm, and SNGRDC have agreed to the formation of a joint venture to provide engineering services for current and future development projects in Southern Ontario.

Maple Leaf Matting, a Calgary-based company providing environmental access matting solutions, and SNGRDC have signed an agreement that will see SNGRDC receive a share of profits from Maple Leaf Matting projects in Southern and Southwestern Ontario.

These partnerships will diversify SNGRDC's portfolio while providing additional sources of revenue for the company. These revenues in turn allow SNGRDC to reinvest more surplus profits into the Six Nations community through the Economic Development Trust. Furthermore, each partnership has stipulated the prioritization of Indigenous procurement, partnership, and employment wherever possible.

To view our full partnership portfolio and to learn more, please visit www.sndevcorp.ca/partnerships

Best Wishes Roxanne!

On Friday, August 29, 2025, SNGRDC bid farewell to one of our dearest Team Members, Roxanne Wilkieson, who has retired after nearly a decade with us. In her role as Corporate Affairs Manager, Roxanne worked closely with our Board of Directors, administered the Six Nations of the Grand River Economic Development Trust (EDT) application process, and assisted in distributing millions of dollars of EDT funding to local organizations on Six Nations.

Roxanne was an invaluable and cherished member of our team and will be deeply missed. We wish her all the best in her well-deserved retirement with her family and grandkids, and thank her for her many years of dedicated service to SNGRDC and the Six Nations community.

BUILDING A GREENER FUTURE

THANKS TO OUR RENEWABLE ENERGY PROJECTS

DID YOU KNOW?

Did you know? SNGRDC's current portfolio has a total participation of 2.5GW of green energy, enough to provide electricity to homes in a town the size of Milton for one year.

In the first half of 2025, SNGRDC's wind and solar sites resulted in a greenhouse gas reduction of approximately

**22,000
TONNES**

which is equivalent to:

 **6,740
THOUSAND**
VEHICLES TAKEN OFF THE ROAD

 **49,710
THOUSAND**
BARRELS OF OIL REDUCED

 **14,710
THOUSAND**
HOUSES OF ELECTRICITY REDUCED

CEO CORNER

It's hard to believe how quickly 2025 has flown by, and that we're already stepping into the fall season. Looking back on this year—and on the past ten years as a company—it's truly humbling to see how much we have accomplished together, and the dedication our team has shown in helping this community prosper.

Our Business Development team continues to explore new partnership opportunities to diversify our asset portfolio and grow revenues. These efforts allow us to reinvest even more back into the community through

the Economic Development Trust.

As students return to school, we remain committed to enriching the education of the next generation. Through our efforts, more than \$2.46 million in post-secondary scholarships and bursaries will be awarded to Six Nations students over the next twenty years. I am also proud to see the overwhelming community support for Six Nations Bingo's Stuff the Bus campaign, which continues to make a meaningful difference for local students. I want to thank everyone who donated and supported this year's Stuff the Bus campaign, as well as to our dedicated team for facilitating and coordinating the logistics that made it all possible.

As we move into the latter part of 2025, I am committed to closing out our first decade of business on a strong note, while continuing to uphold our dedication to the economic prosperity of Six Nations through meaningful partnerships and environmental stewardship.
