SANTA CLAUS PARADE

On Saturday, November 15, SNGRDC participated in the annual Six Nations Santa Claus Parade, organized by Community-Minded Spirits in Action. This year's theme, A Country Christmas, made for a festive and memorable event, and it was wonderful to see so many community members out enjoying the day.

ANNUAL FALL FESTIVAL RAISES \$5,472 FOR COMMUNITY LIVING SIX NATIONS

SNRDC celebrated another successful Fall Festival on Saturday, October 18, 2025 at Chiefswood Park. With beautiful weather and a fantastic turnout, attendees enjoyed an afternoon of fall activities, including rides, local vendors, face painting, pumpkin painting, live music by Six Nations artist James Wilson, and more.

This year, SNRDC staff selected Community Living Six Nations "Ronatahskats" as the recipient of all event proceeds. Thanks to the generosity of festival attendees, SNRDC was able to donate \$5,472 to support their repair efforts related to flooding on the territory earlier this year.

Nia:wen/thank you to everyone who joined us for the Fall Festival and helped make this meaningful contribution possible! A special thank you to our Community Collaborators, whose generous support makes it possible for us to offer this event free of charge to the Six Nations community. To learn more about the Community Collaborator program, please visit www.sndevcorp.ca/community-collaborators.

Community Living Six Nations "Ronatahskats" is a non-profit organization serving adults 18 years and older who have an intellectual disability and live on Six Nations Reserve. To learn more about the Community Living Six Nations, please visit www.communitylivingsixnations.ca.

CEO CORNER

As we wrap up 2025, I am tremendously proud to look back not only on this year, but on the ten years since SNGRDC was established. What began as a small operation has grown into a powerhouse in the Canadian renewable energy sector, and we are now making our mark across several other industries as well.

What I am most proud of, however, is the impact we continue to make in the community we serve—much of which is highlighted in this edition of our newsletter. Our work has generated millions of dollars in reinvestment toward essential programs and infrastructure, helping us advance our mission of economic self-sufficiency. Our community is at the heart of everything we do, and it will remain our central focus as we move confidently into the next decade.

Most importantly, I want to recognize the dedication of our Team Members—both our administration staff and the front-line workers across our Nation Enterprise sites. Their commitment is what drives our success, and we would not be where we are today without them. I look forward to the decade ahead and the continued prosperity of our company. I wish everyone a safe and joyful holiday season and a wonderful new year.

-Matt Jamieson
